

Business Driver Training Programme

Advanced Fleet Driver Training Consultants in the UK and Ireland

As a global market leader in driver risk management we have secured recent large contract wins and continue to experience growth from our existing clients. We are therefore seeking to increase our high quality Fleet Training community. Have you got what it takes to join us?

Job Description

We are offering a unique career opportunity to deliver the best in driver safety training in the UK, Ireland and Worldwide. As one of our Advanced Fleet Driver Consultants you would deliver practical On-Road and Classroom based driver training at our blue chip corporate clients' sites across the UK and Ireland.

We are seeking candidates with excellent communication skills, who are highly motivated, committed and smartly presented. We, in turn, will reward and build upon your existing talents. You will benefit from our state of the art online training tools and in-house training academy to deliver the exceptional products and services that our clients rightly demand.

Key Competencies

- A minimum of 5 years experience of Fleet work, Police Class 1 desirable, minimum qualification ADI on the Fleet Register.
- Able to deliver advanced driver training and coaching in line with our clients' requirements.
- An excellent and confident communicator.
- Reliable, professional, smartly presented and empathetic to individual and cultural needs.
- Good written and verbal communication skills.
- Enjoy working remotely. A willingness to travel is essential.
- Able to work to deadlines and be a brand ambassador for Business Driver.
- A good understanding of smartphone and computer technology to deliver driver training programmes to the exacting quality and specifications of Business Driver.

Key information:
